Harding Wins By Six Million Votes

Latest Estimates Place Republican's Majority at Largest Figures Recorded in American Politics.

By United Press.
DAYTON, Nov. 3.—Governor Cox sent a message of congratulations to Harding this morning. The message is as follows:

"In the spirit of America I accept the will of the majority. I tender, as the defeated candidate, my congratulations upon your being elected to the Presidency of the United States. I will support you in any emergency which may arise." Signed, James M. Cox.

By United Press.
NEW YORK, Nov. 3.—The estimated vote of the nation is now placed at more than 20,000,000. Harding is reported to have a majority greater than 6,000,000.

This breaks all records. Harding also carried several states by larger majorities than have ever been piled up before. The state of New York went for Harding by one million votes. Pennsylvania is reported to have given him a majority of more than 700,000 votes. Illinois went Republican by approximately 800,000 votes. Ohio gave Harding a majority of 400,000 votes. The largest plurality ever amassed in one state before this election was about 500,000 votes. California, which went Democratic in the last Presidential election, went Republican by more than 100,000 votes.

By United Press.
NEW YORK, Nov. 3.—The scope of the Republican national landslide grows larger all the time as more complete returns come in from over the nation.

It is estimated now that Harding has been elected by the largest popular vote in the history of the nation and also it is reported that he has the biggest sure electoral vote of any president who has ever been elected. He will have a big grip on the Senate as there will be a working majority there of Republicans of from 12 to 16.

In the House the Republican majority will be something in the neighborhood of 100 votes. The Republicans have put a Republican Governor in every state in the Union except in those states which are in the solid south. Harding's plurality over the nation is estimated to be close to six million votes.

ILLINOIS TO HARDING BY BIG VOTE

CHICAGO, Nov. 3.—Indications from the United Press reports, which are being received here, are that Harding and the entire state ticket will carry in Illinois by a huge majority. A report from 197 precincts gave Harding 445,494 votes to 156,150 votes for Cox.

COX LOSES HOME COUNTY

DAYTON, Nov. 3.—Governor Cox lost his home county by 900 votes. He is thought to have lost Middletown, where he spent his boyhood and went to school. However he is reported to have carried Butler County by a small majority.

INDIANA WON BY HARDING

INDIANAPOLIS, Ind., Nov. 3.—Harding is estimated to have a majority in the state of Indiana of over 200,000 votes. In returns from 1,652 precincts out of 3,385 Harding was given 393,524 votes to 280,485 for Cox. Watson was re-elected to the Senate over Tom Taggart.

CONJECTURE ON NEW CABINET

WASHINGTON, Nov. 3.—Immediately after the national election members of the new President's cabinet. Elihu Root is being mentioned as the probable Secretary of State. It is rumored that he will be appointed to complete the work on the League of Nations and the peace treaty with the foreign countries and then he will retire.

For Secretary of Commerce, Governor Lowden of Illinois is being mentioned. His name is also being talked for secretary of the treasury but indications are that he will probably be put in the former place.

Herbert Hoover is the subject of a great amount of talk as being the man who will be made Secretary of the Interior. Henry Wallace of Iowa is being mentioned as the prospective Secretary of Agriculture. L. M. Garrison is being mentioned as the prospective Secretary of War. He served under President Wilson for a short time but was dismissed from the cabinet due to a disagreement which arose.

AND OKLAHOMA, TOO?

OKLAHOMA CITY, Nov. 3.—That the "impossible" may have happened and the state of Oklahoma gone Republican is being claimed here today by the Republicans of that state. The Republican candidate for Governor is leading by approximately 15,000. The Democrats of the state have not conceded anything as yet.

HARDING CARRIES MINNESOTA

ROCKFELL, MINN., Nov. 3.—The Republican national and state tickets will be elected here by practically a plurality of

BIG DEMOCRATIC VOTE POLLED IN COLUMBIA

Count in Precincts Shows Heavy Majority for the Party—One Not Complete.

FINISH COUNT TODAY

Republican Ballot in City Will Be Exceeded by About 2,000 It Is Believed.

The count in the fourth precinct was finished at 4:30 o'clock this afternoon. Long led with 1105 to Spencer's 970.

The Democratic ticket carried in Columbia by an estimated majority of 2,200. Late this afternoon the judges in the fourth ward had not completed counting their ballots. The vote had previously been estimated at 1,300 Democratic to 500 Republican. Using this estimate the total vote for the city will be 4,625 Democratic to 1,700 Republican.

With the vote twice as heavy as ever before, Columbia returned its usual Democratic majority at the polls yesterday. The entire Democratic county and city ticket was elected, and large majorities were given the Democratic state and national tickets. There were approximately 1500 negro votes cast.

The voting precincts at the courthouse were almost swamped, and lines stood in the corridors waiting to vote. A rope was stretched across the entrance to prevent congestion. When the polls closed, it was estimated that 5,900 votes had been cast. In previous elections slightly more than 3,000 were cast.

Of 3,753 ballots cast in the first two precincts, about 2,525 were Democratic and about 1,230 Republican.

HYDE LEADS REPUBLICANS

The vote of the first precinct was Democratic in the ratio of 5 to 3. About 1,250 Democratic and 775 Republican votes were cast. Cox and Atkinson ran slightly behind their tickets, receiving 1,229 and 1,220 votes respectively. Ruby M. Hulen, Democratic candidate for prosecuting attorney, led his ticket in this precinct, with 1,267 votes.

Arthur M. Hyde was strongest for the Republicans, getting 808 votes. Harding received 796. Sid Roach, candidate for representative, and Humphrey Springstun, candidate for prosecuting attorney, can behind their tickets, with 757 and 758 votes.

The entire Democratic county ticket ran slightly stronger than the state and national tickets. The reverse was true for the Republicans.

For president, 6 Prohibition, 6 Socialist, 3 Farmer-Worker, and 1 Socialist-Labor votes were cast. Votes for state officials ran in the same proportion. Vaughn Hickman, a Boone County farmer, candidate for governor on the Farmer-Worker ticket, received 6 votes.

NELSON HIGH IN SECOND

The second precinct was even more Democratic, voting against the Republicans by 3 to 1. There were about 1,275 Democratic votes and 425 Republican. Nelson was high man for the Democrats, with 1,314. Atkinson and Sullivan, with 1,245 and 1,230, were lowest. For the Republicans, Becker, candidate for secretary of state, and Hyde ran ahead of their tickets; Roach and Springstun, with 386 and 404, were lowest.

Cox, 1,262, and Harding, 428, had the average strength of their tickets.

Five Prohibition, 4 Socialist and 2 Farmer-Worker ballots were cast for president. The Socialists cast 2 votes for state officials. Vaughn Hickman received one vote for governor.

In the third precinct, where the absentee vote 821 ballots were cast. Most of these were students. It is estimated that the votes were about evenly divided between the Republican and the Democratic parties.

H. H. Banks, Thomas P. Brown, W. O. Ellis, Dennis Spelman and N. T. Gentry were elected county hospital trustees yesterday. Mr. Gentry is a Republican; the rest are Democrats.

The vote in the first precinct was as follows: Spelman, 1,289; Ellis, 1,261; Brown, 1,257; Banks, 1,253; Gentry, 802. The vote in the second precinct was 1,275 for Banks, Brown, Ellis and Spelman; and 427 for Gentry.

It is expected that from six to eight hundred ballots from absentee voters will be received through the mails this afternoon, according to a statement made at the post office this morning.

CHAMP CLARK MAY BE OUT

Race for Congress in His District So Close That Result Is in Doubt.

By United Press.

ST. LOUIS, Mo., Nov. 3.—Champ Clark has had a close race in his district and may fail to be returned to Congress. The vote is so close that at noon today, it could not be determined whether or not he had won. Only seven precincts had been officially reported and Clark had a majority of only 40 votes in these precincts.

DEMOCRATS IN COUNTY POLL 5,000 MAJORITY

Congressman W. L. Nelson Leads His Ticket With Senator Spencer Ahead on G. O. P. Ballot.

ONE PRECINCT STILL OUT

Socialists and Prohibitionists Get Scathing Vote on National Ticket—State Ticket Scratched.

With only the fourth ward voting precinct in Columbia missing from the election returns this afternoon the Democratic ticket appeared to have carried the county by close to 5,000 votes.

Omitting the missing precinct Congressman Nelson has the largest Democratic majority, it being 4,499 votes. Senator Spencer led for the Republicans with 3,224 votes as a total.

Although Columbia gave a good majority to all the amendments voted upon, it is reported that this may in most cases be overcome by the negative vote out in the county.

In Boone County outside of Columbia the proportion of the votes was almost three Democratic to one Republican. In these thirty precincts Congressman W. L. Nelson led his ticket with 5,196 votes or 15 more than Breckenridge Long, the second highest. The lowest vote was polled for Governor Cox, who received 5,177 ballots.

On the Republican ticket Senator Selden P. Spencer led the field with 2,027 votes with Sid Roach a close second with 2,024. Harding also ran lowest, securing 1,996 votes.

These differences on the two tickets are accountable in the fact that there were a few scattered Socialist, Socialist-Labor, Farm Workers and Prohibition votes cast in the national election. For the most part these voters scratched their own ballot in the state election.

Few Democrats and Republicans scratched their ballots. The state Democratic ticket in the county as a whole carried by majorities ranging between the vote cast for United States senator and governor. In most precincts this partisan vote was exactly the same for these offices.

The same is true of the county officials, all Democrats being elected by majorities of more than three thousand.

A small fire, which started in the Hetzler packing plant about 9:30 o'clock last night, caused some damage. Smoke was seen coming from the windows by E. A. Williams, 106 West Broadway, who was passing the plant. The fire was caused by a defective flue in the business office, which ignited the wall of a refrigerator room. Owing to the position of the fire in the walls, the firemen were compelled to work with the hose until about 2 o'clock this morning.

The damage to the plant cannot be determined, said J. P. Heiler, this morning. "The loss to the plant was covered by insurance," said Mr. Heiler.

Long Says He Is Elected
When to County Chairman Here That Democrats Win.
The entire Democratic state ticket has been elected, according to a telegram from Breckenridge Long, Democratic candidate for senator, to G. B. Sapp, Democratic county chairman.

Long says that with two-thirds of the precincts in St. Louis already heard from Spencer is leading him by 13,000 and Hyde is leading Atkinson by 8,000. Three Democratic counties will make up for this lead, he says, and insure the election of the Democratic ticket by the normal Democratic majority in the rest of the state.

The subgraph was sent about 7 o'clock this morning.

NELSON FAILS RE-ELECTION

Sid C. Roach Defeats Columbia Man in Race for Congress in Eighth.

By United Press.
ST. LOUIS, Mo., Nov. 3.—W. L. Nelson, Democrat, has been defeated by Sid C. Roach, Republican, for Congress in the Eighth district. Returns received here indicate that Roach's majority in counties other than Boone will overcome Nelson's majority in Boone county.

W. L. Nelson said this afternoon that it appeared from returns he had received that Roach had been elected.

Returns from Cooper County show a Republican majority of about 1500. Nelson ran about 200 ahead of his ticket in Cooper.

Unofficial returns from Morgan County indicate a Republican majority of 1000. Mr. Nelson also ran ahead of his ticket in Morgan. He has no definite reports from the other counties of the district.

Nelson predicted that his 4000 majority in Boone County will not be enough to offset the general Republican landslide in the other counties of the district. A telephone message from Jefferson City this afternoon gave the following vote: Monahan, Roach 3,804; Nelson, 2,880; Cooper, Roach 4,777; Nelson 3,544. It was estimated the district would go Republican by 7,000.
